* This course is for customers migrating to Lawson System Foundation 9.0 who have purchased the 'Lawson Certified Customer + Lawson Professional Services Stepping Up' migration option. It prepares Lawson Administrators with the technical competency to plan, install, and migrate to Lawson System Foundation 9.0 with less reliance on Lawson consulting resources. The course is rich in demonstrations, hands-on simulations, exercises, and discussions. Your Lawson Project Manager for your migration will request your registration to this course. You must achieve Lawson Certification for Lawson System Foundation 9.0 Administration to qualify for this course.
